Old Palm Harbor Main Street Experiencing New Growth!

Old Palm Harbor Main Street was established as a Certified Main Street in 1999 and has turned a corner in recent months. In June 2007, the Organization reached their goal in hiring an Executive Director, Robin Husbands-Cauchy, and is experiencing a tremendous amount of growth that can only result in wonderful, new beginnings.

Old Palm Harbor Main Street is a nonprofit, 501(c)(3) organization with the mission to *"Preserve and enhance the quality of life and business in Downtown Palm Harbor"*. In order to reach out to the community, maintain the beautifully completed streetscape, hold Palm Harbor's fun-filled street events and establish other civic-minded functions, Old Palm Harbor Main Street is calling for anyone interested in joining the organization at this exciting time to please contact their offices. The **need** expressed is for **Board Members, Committee Members, Organization Sponsors and Members, and Volunteers**. Old Palm Harbor Main Street also welcomes high school and college students to participate in their Volunteer Program!
